ERRATA

Released: March 18, 2004

By the Deputy Division Chief, Telecommunications Access Policy Division, Wireline
Competition Bureau:

On March 17, 2004, the Commission released a Notice of Inquiry (FCC No. 04-55) initiating its fourth inquiry under section 706 of the Telecommunications Act of 1996 into whether advanced telecommunications capability is being deployed to all Americans in a reasonable and timely fashion. This Errata corrects FCC No. 04-55 by adding the High-Speed Services for Internet Access Report: Status as of June 30, 2003 as Appendix A, which is referenced in paragraph 18 and footnote 9.
